

# *From Where Did You Come?*

*F*rom where did you arrive?  
Out of the womb of Eve and the seed of Adam  
Angels showed your unborn soul  
The secret of heaven and earth  
Your soul pleaded with God not to push you  
From the comfort of the womb.

And God answered:  
Do not cry  
Do not be afraid  
The world you enter is the better world  
You have lived in innocence.

Here, you will be My ally, My witness  
My co-creator, My co-sanctifier  
Here is your place  
Here, confirm My name  
Here, bring strength to those who inhabit the world  
Here, offer testimony of My goodness  
Welcome to this world.
