

Not Where But When

*T*here are matters not subject to the senses taste, sound, smell, sight, touch
Matters elusive to definition
yet known without doubt.

Known to make us cry and laugh
to move us to unimagined heights to courage and self-sacrifice.

Experiences -- like love or God
Cannot be fingered, placed or poked
Of such things it is wiser to ask
Not where but when.

Don't ask where is love
don't ask where is God
ask when is love
ask when is God.

Together we'll find the dawn of an answer.
